December 10-12, 2024 | Shanghai, China

The 18th International Forum on Teacher Education (IFTE) 2024 will be held in Shanghai, China, from December 10-12, 2024. The theme of the forum is 'Transforming Teacher Education for a Sustainable Future'. The forum will bring together leading scholars, policymakers, and practitioners from around the world to discuss the latest trends and developments in teacher education.

The IFTE is a biennial event that provides a platform for the exchange of ideas and best practices in teacher education. The forum is organized by the International Council on Education for Teaching (ICET), a global network of teacher education institutions and organizations. The 18th IFTE will be hosted by the East China Normal University in Shanghai, China.

Theme: Transforming Teacher Education for a Sustainable Future

The theme of the 18th IFTE is 'Transforming Teacher Education for a Sustainable Future'. This theme reflects the growing recognition that teacher education plays a critical role in preparing teachers to address the challenges of the 21st century, including climate change, inequality, and social justice. The forum will explore the following sub-themes:

- Preparing teachers for a changing world
- Innovative approaches to teacher education
- Teacher education and sustainable development
- The role of teacher education in promoting social justice
