The 20th and 21st International Conferences Fg 2024 Barcelona Spain August 2024 are two of the most important events in the field of computer science. The conferences will bring together leading researchers and practitioners from around the world to discuss the latest advances in the field. The conferences will be held from August 11-15, 2024, at the Barcelona International Convention Centre in Barcelona, Spain.

Dates

- 20th International Conference Fg 2024: August 11-13, 2024
- 21st International Conference Fg 2024: August 14-15, 2024

Location

The conferences will be held at the Barcelona International Convention Centre (CCIB) in Barcelona, Spain. The CCIB is a state-of-the-art convention center located in the heart of the city. The CCIB is easily accessible by public transportation and is within walking distance of many hotels and restaurants.

Registration

Registration for the conferences is now open. The registration fee for the 20th International Conference Fg 2024 is €500. The registration fee for the 21st International Conference Fg 2024 is €400.

Speakers

The conferences will feature a number of keynote speakers, including:

- Professor Andrew Chi-Chih Yao, Turing Award winner and co-inventor of quantum computing
- Professor Leslie Lamport, Turing Award winner and inventor of the Paxos protocol
- Professor Barbara Liskov, Turing Award winner and pioneer in object-oriented programming
- Professor David Patterson, Turing Award winner and co-inventor of the RISC architecture

- Professor Silvio Micali, Turing Award winner and inventor of zero-knowledge proofs

Topics

The conferences will cover a wide range of topics in computer science, including:

- Algorithms and data structures
- Artificial intelligence
- Computer architecture
- Databases
- Graphics and visualization
- Networking
- Operating systems
- Programming languages
- Security
- Software engineering
- Theory of computing

Call for Papers

The conferences are now accepting submissions for papers. The deadline for submissions is March 15, 2024. Papers should be submitted electronically through the conferences' website.
