Cleave's writing is both lyrical and unflinching, and she does not shy away from the difficult questions that her characters face. *Incendiary* is a novel about the human condition, and it is a testament to Cleave's skill as a storyteller that she is able to make us care so deeply about her characters and their struggles.

The novel begins with Kate waking up to find that her husband has left her. She is devastated, but she soon realizes that she is not alone. The world is in chaos, and people are dying all around her. Kate meets a group of survivors who are trying to make their way to safety, and she decides to join them.

As the group travels together, they face many challenges. They are hunted by a ruthless gang of scavengers, and they must constantly fight for food and supplies. But through it all, they learn to rely on each other, and they form a strong bond.

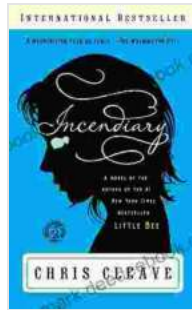

Kate is a complex and well-developed character. She is strong and resourceful, but she is also vulnerable and afraid. She is haunted by the loss of her husband, and she struggles to find hope in a world that seems to be falling apart.

The other characters in the novel are equally well-drawn. There is Luke, a doctor who is trying to save lives in a world that is dying. There is Anya, a young woman who is struggling to come to terms with her own mortality. And there is Jacob, a former soldier who is trying to find peace in a world that is full of violence.

Incendiary is a novel about love, loss, and the end of the world. It is a powerful and moving story that will stay with you long after you finish reading it.
