# Citizen Alliance Cooperative: Building a Community-Owned, Democratic Economy

Citizen Alliance Cooperative is a worker-owned cooperative that is building a community-owned, democratic economy. The cooperative is owned by its worker-members, who collectively make decisions about the cooperative's operations and direction. Citizen Alliance Cooperative is committed to providing high-quality, sustainable products and services to its community, while also promoting social and economic justice.

History

Citizen Alliance Cooperative was founded in 2010 by a group of community activists and workers. The cooperative's founders were inspired by the principles of worker ownership and democratic control, and they believed that a cooperative could be a powerful tool for building a more just and equitable economy.

How Citizens Can Run Their Government & Business: THE SOLUTION: A Citizen Alliance Cooperative

In the early years, Citizen Alliance Cooperative struggled to find its footing. The cooperative faced a number of challenges, including a lack of capital, a lack of experience, and a lack of support from the community. However, the cooperative's founders persevered, and they eventually began to build a strong business.

Today, Citizen Alliance Cooperative is a thriving enterprise. The cooperative has over 100 worker-members, and it generates over $10 million in annual revenue. Citizen Alliance Cooperative is a leading provider of solar energy, energy efficiency, and other sustainability services to the community.

Mission

Citizen Alliance Cooperative's mission is to build a community-owned, democratic economy. The cooperative believes that the economy should be controlled by the people who live and work in it, and that everyone should have a say in how the economy is run.

Citizen Alliance Cooperative is committed to providing high-quality, sustainable products and services to its community. The cooperative believes that businesses have a responsibility to give back to the community, and that businesses should be held accountable for their social and environmental impact.

Values

Citizen Alliance Cooperative is guided by the following values:

* **Worker ownership:** Citizen Alliance Cooperative is owned by its worker-members. This means that the workers who generate the wealth of the cooperative also control the cooperative. * **Democratic control:** The

cooperative's worker-members collectively make decisions about the cooperative's operations and direction. This means that everyone who works at the cooperative has a say in how the cooperative is run. * **Sustainability:** Citizen Alliance Cooperative is committed to providing high-quality, sustainable products and services to its community. The cooperative believes that businesses have a responsibility to protect the environment and to promote social justice. * **Community ownership:** Citizen Alliance Cooperative is owned by the community it serves. The cooperative is committed to providing high-quality, sustainable products and services to its community, and to giving back to the community in a variety of ways.

Impact

Citizen Alliance Cooperative is having a positive impact on its community. The cooperative is providing high-quality, sustainable products and services to the community, and it is also promoting social and economic justice.
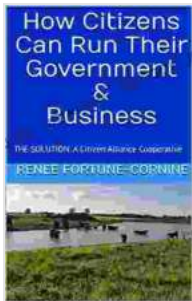

* **Economic impact:** Citizen Alliance Cooperative is a major employer in the community. The cooperative provides jobs for over 100 worker-members, and it generates over $10 million in annual revenue. The cooperative's economic activity helps to support the local economy. * **Social impact:** Citizen Alliance Cooperative is committed to promoting social justice. The cooperative provides affordable housing for low-income families, and it offers job training programs for unemployed and underemployed workers. The cooperative also supports a variety of community organizations and initiatives. * **Environmental impact:** Citizen Alliance Cooperative is committed to protecting the environment. The cooperative provides solar energy and energy efficiency services to the

community, and it promotes sustainable practices throughout its operations. The cooperative is also working to reduce its carbon footprint and to promote renewable energy sources.

Citizen Alliance Cooperative is a model for a community-owned, democratic economy. The cooperative is owned by its worker-members, who collectively make decisions about the cooperative's operations and direction. Citizen Alliance Cooperative is committed to providing high-quality, sustainable products and services to its community, while also promoting social and economic justice.

Citizen Alliance Cooperative is proof that a different kind of economy is possible. An economy that is owned by the people who live and work in it, and that is controlled by the people who generate the wealth of the economy. An economy that is committed to providing high-quality, sustainable products and services to the community, and that is also committed to promoting social and economic justice.
