Dead Meat Day is a 2023 zombie apocalypse thriller film directed by Chad Crawford Kinkle and starring Bailee Madison, Alexandra Shipp, and Avan Jogia. The film follows a group of survivors as they fight to stay alive in a world overrun by the undead.

The film begins with a group of friends celebrating a birthday at a remote cabin in the woods. As they are enjoying their party, the news reports begin to come in about a strange virus that is turning people into zombies. At first, the friends dismiss the reports as fake news, but it soon becomes clear that the virus is real and it is spreading rapidly.

The friends are forced to flee the cabin and make their way to safety. Along the way, they encounter other survivors and must fight off the zombies that are trying to kill them. The group must also deal with the challenges of hunger, thirst, and exhaustion as they try to find a way to survive in this new world.

Dead Meat Day is a well-made zombie apocalypse thriller that will keep you on the edge of your seat from beginning to end. The film has a great cast, a well-written script, and some truly terrifying zombies. If you are a fan of zombie movies, then you will definitely want to check out Dead Meat Day.
