Doctor Strange is one of the most popular and iconic characters in the Marvel Universe. He is a master of the mystic arts and a powerful sorcerer. He has fought alongside the Avengers and defended the Earth from countless threats.

Now, Doctor Strange's story is being brought to life in a new Little Golden Marvel book that is perfect for young readers. The book, which is titled "Doctor Strange: The Sorcerer Supreme," tells the story of how Stephen Strange became Doctor Strange and how he learned to use his powers to protect the world.

The book is written by Robbie Thompson and illustrated by Matt Haley. Thompson is a veteran comic book writer who has worked on titles such as "Spider-Man," "Venom," and "Guardians of the Galaxy." Haley is an up-and-coming artist who has worked on "Star Wars Adventures" and "Doctor Strange: Damnation."

The book is beautifully illustrated and the story is engaging and exciting. It is a great to the character of Doctor Strange and it is sure to be a hit with young readers.

## **The Story of Doctor Strange**

The story of Doctor Strange begins in Nepal. Stephen Strange is a brilliant neurosurgeon who is arrogant and self-centered. He is involved in a car accident that damages his hands and ends his career.

Strange travels the world in search of a cure for his hands. He eventually meets the Ancient One, a powerful sorcerer who agrees to teach him the mystic arts. Strange studies under the Ancient One and learns to control his powers.

Strange eventually becomes the Sorcerer Supreme, the most powerful magician in the world. He uses his powers to protect the Earth from threats such as Dormammu, Nightmare, and Baron Mordo.

## **Doctor Strange's Powers and Abilities**

Doctor Strange is a master of the mystic arts. He can cast spells, create illusions, and teleport. He also has the ability to astral project, which allows him to leave his body and travel in spirit form.

Strange's most powerful weapon is the Eye of Agamotto. This artifact contains the Time Stone, one of the Infinity Stones. The Time Stone gives Strange the ability to control time. He can use it to slow down time, speed up time, or even stop time altogether.

## **Doctor Strange's Allies and Enemies**

Doctor Strange has many allies, including the Avengers, Wong, and Clea. He also has a number of enemies, including Dormammu, Nightmare, and Baron Mordo.

Dormammu is a powerful demon who rules the Dark Dimension. Nightmare is a demon who rules the Dream Dimension. Baron Mordo is a former student of the Ancient One who turned to evil.

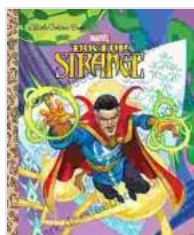

## **Doctor Strange in the Marvel Cinematic Universe**

Doctor Strange has appeared in several Marvel Cinematic Universe films, including "Doctor Strange," "Thor: Ragnarok," "Avengers: Infinity War," and "Avengers: Endgame." He is played by Benedict Cumberbatch.

In the MCU, Doctor Strange is a powerful sorcerer who helps the Avengers defeat Thanos and save the universe.
