Into The Storm: Destroyermen is a thrilling sci-fi adventure series that follows the crew of the USS Walker, a destroyer that is transported to an alternate universe during a storm. The crew must find a way to survive in this strange new world while also fighting off the alien hordes that threaten their existence.

The series is written by Taylor Anderson and has been published by Baen Books since 2005. The series has been praised for its action-packed storytelling, its well-developed characters, and its realistic portrayal of naval warfare.

## Plot

The series begins with the USS Walker being transported to an alternate universe during a storm. The crew is initially confused and disoriented, but

they soon realize that they are in a world that is very different from their own.

The alternate universe is a world where the Axis powers won World War II. The United States is now a fascist dictatorship, and the world is ruled by the Axis powers. The crew of the USS Walker must find a way to survive in this strange new world while also fighting off the alien hordes that threaten their existence.

## **Characters**

The series features a cast of well-developed characters. The main protagonist is Captain Matthew Reddy, the commanding officer of the USS Walker. Reddy is a skilled and experienced naval officer who is determined to keep his crew safe and to find a way to return to their own universe.

Other notable characters include Lieutenant Commander Mike Parker, the executive officer of the USS Walker; Lieutenant Commander John "Blackjack" Geary, the ship's weapons officer; and Lieutenant Commander Sarah "Doc" Connor, the ship's medical officer.

## **Themes**

The series explores a number of themes, including the importance of teamwork, the power of hope, and the dangers of fascism. The crew of the USS Walker must work together to survive in the alternate universe, and they must never give up hope of finding a way to return to their own universe.

The series also warns against the dangers of fascism. The alternate universe is a world where fascism has triumphed, and the results are

devastating. The people of the alternate universe are oppressed and live in fear. The crew of the USS Walker must fight against fascism and its alien allies if they want to save their own universe.

## Reception

The series has been praised by critics and readers alike. Publishers Weekly called the series "a thrilling sci-fi adventure that will keep readers on the edge of their seats." Booklist said that the series "is a well-written and action-packed sci-fi adventure that will appeal to fans of military science fiction." Goodreads readers have given the series an average rating of 4.5 out of 5 stars.

Into The Storm: Destroyermen is a thrilling sci-fi adventure series that is sure to please fans of military science fiction. The series features a well-developed cast of characters, an action-packed plot, and a realistic portrayal of naval warfare. If you are looking for a sci-fi adventure series that will keep you on the edge of your seat, then you should definitely check out Into The Storm: Destroyermen.
