## What is a Wimmelbook?

A Wimmelbook is a type of picture book that's characterized by its large, detailed illustrations and lack of text. Wimmelbooks are often used to introduce young children to new concepts and vocabulary. They can also be a great way for kids to develop their observational skills and imaginations.

## My Big Wimmelbook At the Construction Site

My Big Wimmelbook At the Construction Site is a Wimmelbook that's all about construction. It features a bustling construction site where there's always something going on. Kids can explore the book and find all sorts of interesting things, such as:

- Construction workers
- Construction vehicles
- Construction materials
- Animals
- Hidden objects

The book is also full of fun details, such as a group of construction workers playing soccer on their lunch break and a dog chasing a butterfly. There's also a lot of humor in the book, such as a construction worker who's wearing a hard hat that's too big for him.
