Planet Wax is a record label specializing in soundtracks from science fiction and fantasy films and television shows. The label was founded in 2013 by Jason Forrest and has since released over 100 albums, including music from such iconic films as "The Terminator," "Blade Runner," and "Star Wars."

Planet Wax's releases are all pressed on high-quality vinyl and feature exclusive artwork and liner notes. The label also works closely with film and television composers to ensure that their soundtracks are presented in the best possible way.

As a result of its commitment to quality, Planet Wax has become one of the leading labels for soundtrack collectors. The label's releases are highly

sought-after by fans of science fiction and fantasy films and television shows, and they often sell out quickly.

**Some of Planet Wax's most popular releases include:**

- The Terminator (1984)
- Blade Runner (1982)
- Star Wars: The Empire Strikes Back (1980)
- Alien (1979)
- The Thing (1982)
- Akira (1988)
- The Dark Crystal (1982)
- Heavy Metal (1981)
- Conan the Barbarian (1982)
- The Lord of the Rings (2001-2003)

In addition to its soundtrack releases, Planet Wax also produces a line of clothing and accessories. The label's clothing is designed to appeal to fans of science fiction and fantasy films and television shows, and it features unique designs and high-quality materials.

Planet Wax is a one-of-a-kind label that is dedicated to bringing the best science fiction and fantasy soundtracks to vinyl. The label's releases are essential for any fan of these genres, and they are sure to become collector's items in the years to come.
