

Snowman Story Problems Math With Santa And Friends

It's a cold winter day, and the snowmen are having a snowball fight! But they need your help to solve these math problems to win.

Intermediate Addition: Snowman Story Problems (Math with Santa and Friends Book 3) by Charles Reasoner

★★★★☆ 4.5 out of 5

****Problem 1.****

Santa has 10 snowballs. He gives 3 snowballs to each of his 4 reindeer. How many snowballs does Santa have left?

****Solution:****

Santa has 10 snowballs. He gives 3 snowballs to each of his 4 reindeer, which is $3 * 4 = 12$ snowballs. So, Santa has $10 - 12 =$ ****2**** snowballs left.

****Problem 2:****

There are 5 snowmen in the snowball fight. Each snowman has 6 snowballs. How many snowballs are there in total?

Name _____

Silly Snowman Math

How Many?

Count the snowballs in each snowman.
Cut and paste the matching numbers.

2 4 3 1 5

© First Class Creations

****Solution:****

There are 5 snowmen, and each snowman has 6 snowballs, so there are $5 * 6 = 30$ snowballs in total.

****Problem 3:****

Santa's sleigh is carrying 12 presents. He delivers 4 presents to each of the 3 houses on his route. How many presents does Santa have left?

****Solution:****

Santa has 12 presents, and he delivers 4 presents to each of the 3 houses on his route, which is $4 * 3 = 12$ presents. So, Santa has $12 - 12 =$ ****0**** presents left.

****Problem 4:****

There are 8 children playing in the snow. Each child builds a snowman with 5 snowballs. How many snowballs are used to build all of the snowmen?

****Solution:****

There are 8 children, and each child builds a snowman with 5 snowballs, so there are $8 * 5 = 40$ snowballs used to build all of the snowmen.

****Problem 5:****

Santa's elves are making gingerbread cookies. They make 6 batches of cookies, and each batch makes 12 cookies. How many gingerbread cookies do the elves make in total?

****Solution:****

The elves make 6 batches of cookies, and each batch makes 12 cookies, so there are $6 * 12 =$ ****72**** gingerbread cookies in total.
