Level 1

Level 1 of the String Builder V3 Violin Belwin Course for Strings is designed for beginners with no prior experience playing the violin. The level begins with the basics of violin playing, such as how to hold the instrument, how to bow, and how to read music. Students will learn to play simple melodies and rhythms, and they will develop a foundation in the fundamentals of violin technique.

Level 2

Level 2 of the String Builder V3 Violin Belwin Course for Strings is designed for students who have completed Level 1 or who have some prior experience playing the violin. The level builds on the skills learned in Level 1, and students will learn to play more challenging melodies and rhythms. They will also begin to learn about more advanced violin techniques, such as vibrato and shifting.

Level 3

Level 3 of the String Builder V3 Violin Belwin Course for Strings is designed for students who have completed Level 2 or who have significant prior experience playing the violin. The level focuses on developing students' musicality and technical skills. Students will learn to play a variety of musical styles, and they will develop a strong foundation in the fundamentals of violin playing.
