

Winter Roses: A Long Tall Texans Novella by JoAnn Ross

Winter Roses is a novella in the Long Tall Texans series by JoAnn Ross. It tells the story of rancher Jake Tanner and schoolteacher Emily Carter, who fall in love while working together to save a group of wild horses.

Jake is a rugged cowboy who has always been content with his solitary life on his ranch. Emily is a kind and compassionate woman who is dedicated to her students and her community. When a blizzard hits, Jake and Emily are forced to work together to save a group of wild horses that are stranded in the snow.

As they work together, Jake and Emily begin to realize that they have more in common than they thought. They both love the land and the animals that live on it, and they both have a strong sense of community. As the blizzard rages on, Jake and Emily find themselves falling in love.
